Congressionally Directed Action

5/22/95

Senate Appropriations Committee

Congressionally Directed Action:

- DCI must construct retrospective review and *“technical analysis”* addressing 20 year period
 - Inventory and analyze files at CIA and DIA
 - Weigh compliance with Congressional direction
- The *“DCI’s declassification committee”* must review program history and nature to determine which parts can be an *“open-world activity”*
- DIA Director should *“establish open-world, declassified, cooperative activity”* between US and Russian programs

Senate Appropriations Committee

Additional Points in Congressionally Directed Action:

- ***“The Committee...believes that the time has come for a re-evaluation of the classification of the existence of this effort as well as the results...”***
- ***“...does not accept the excuse that this somehow compromises US Intelligence .“***
- ***“...concerned that Congressional direction in t he past...regarding joint programs with the Russians and Chinese has only been sporadically pursued.“***

CIA Response to CDA

Highlights of 27 March Status Briefing

5/22/95

- **CIA terms of reference requested that no resources be transferred until Blue Ribbon Panel completes directed review, SAC staffer agreed**
- **CIA stated it would take steps to declassify previous program work, groundwork is being established**
- **It was agreed CIA would present its management strategy after learning more about the program from the completed review**
- **It was agreed program personnel could not be transferred immediately since CIA has no way to task them, field requirements, or disseminate product and could not keep them productive**
